Judge Nancy will present you and your canine partner with courses that will help you learn to successfully plan and execute a strategy that works for your team. Jennifer and Penny will be there to answer your questions and assist you in finding your own game style. This will be a day of fun for you and your dog. At the end of the day, you will feel confident entering these classes and will have the skills you need to plan the best course for your dog. ### About Us:

**Jennifer Madrid** has been training and showing in agility for 9 years. Her 10 year old Belgian Tervuren, Max, has competed in CPE's Specialist class since it was created. He has earned CPE's Specialist Champion title and is currently working on his class champion title in Jumpers. At CPE Nationals he has been awarded 20" Specialist High in Standard Level 4 in 2007 and 2008 and First Place 20" Specialist Games in 2007. Max has also competed in NADAC and AKC agility and has an AKC Rally Advanced title. Shetland Sheepdog Tommy is in Level 5 in all CPE games and Level 4 Standard. He competes in the Excellent levels in AKC agility and has earned his AKC Rally Novice title. Jennifer's #1 rule of agility is to go out and have fun with your dog and always run with a smile on your face!

**Nancy May** became interested in agility when she saw some demos while doing basic puppy obedience with her English Mastiff, Oak. She went to classes and agility camps with Oak, but never competed since Oak was a bit selective about what she would do. Nancy got her first Bearded Collie, Farley, in 2002 and has been competing in agility since 2003. She soon became hopelessly addicted to agility competition and added a second Beardie, Granite, in 2004. Nancy and her Beardies compete (about 30 weekends a year) in CPE, NADAC and USDAA. Farley was #2 on the CPE Top Ten Reg/Vet list for 2009. Nancy is a CPE judge.

**Penny Sencer** discovered agility in 2001 when her first blackdog, Curly, would stand watching dogs run agility on the Animal Planet. Curly is now retired, but Penny spends all of her spare time and money playing with her dogs, Ditz and Dervish, in CPE, USDAA, NADAC and ASCA. Ditz, her hairy black mutt, was the high in trial mixed breed at the 2009 CPE Nationals. Penny, Ditz and Dervish particularly love the games and look forward to introducing you to a world of fun!
